**Subject:** Completion of Internship Project – *“Design and Analysis of Age and Gender Detection using Deep Learning Algorithm”*

Dear Dipak,

We are pleased to acknowledge the successful completion of your internship project titled **“Design and Analysis of Age and Gender Detection using Deep Learning Algorithm”**, which commenced on **15th December 2024**, as per the offer extended to you earlier.

Throughout the course of your internship, your commitment, technical skills and enthusiastic participation were commendable. Your active involvement in the field of **Deep Learning for image classification**, particularly using **Python programming**, was evident in the quality and effectiveness of your project work.

We also appreciate your participation in the two-week training program, where you demonstrated a strong eagerness to learn and apply advanced concepts in a practical environment. Your contributions have added value to the project objectives and reflect your potential in the domain of Artificial Intelligence and Deep Learning.

We extend our sincere thanks for your efforts and wish you continued success in all your academic and professional pursuits.

With best regards,

Santosh Rathod,  
Director
